

A lush green forest scene with a kiwi bird in the foreground. The kiwi is brown with a long pink beak and is looking towards the right. The forest is filled with various green plants, ferns, and trees, with sunlight filtering through the canopy.

Kiwi Mara

The other animals doubt Mara's a bird. After all, a kiwi can't fly. Surviving a hungry stoat, Mara discovers there's more than one way to be a bird.

THE UGLY DUCKLING

for kids who don't quite fit the flock.
