Winner of the 2018 LAGOS COMIC CON/ICON Comic book Pitch Competition

"...CAUSE 'US' NO DEY 'LAGOS' AGAIN. IT'S EVERY MAN FOR HIMSELF NOW"

TETISIMI is a young man hustling as a ROACH;
a band of traceurs that can navigate the tricky landscape
of a dystopian Lagos; now called LAG'.

However, circumstances force him into taking a dangerous back-end job;
to successfully deliver an item from AJ city, across the brokenlands
into the island city of V.EYE.

A delivery meant for Roaches of a higher class than he is.

A delivery that puts him on the radar of EYESERVIS agents,;
keepers of the peace in V.EYE.

A delivery that can change the way things have worked for 50 years and
potentially fix a piece of the brokenness scattered around LAG'.

But at what cost?
